## Wayne State University

### General overview

From medicine and mechanical engineering to graphic design and geology, our faculty members are renowned for innovation and expertise in their fields, crafting hands-on curricula to take students out of the classroom and into the real world. We're increasingly known for our interdisciplinary research in areas such as health sciences and disparities, the environment, entrepreneurship and data analytics, human services and education, manufacturing, language and the arts. Whether in the lab or on the stage, we're making a measurable impact in our neighbourhood and around the world.

### Programmes available

College of Liberal Arts & Science, College of Business, College of Engineering, College of Education, Performing & Communication Arts, School of Information Sciences

## **Student support**

We have many resources on campus including Diversity & Inclusion, Student Disability Services, many student organizations with Dean of Students Office oversight, Food Pantry (low-income students may obtain free food) and much more. The Study Abroad staff will always connect any student in need with campus resources.

## **Accommodation**

Campus housing available: <https://housing.wayne.edu/>

## **Orientation week**

Each semester has multiple orientation sessions and J-1 visa check-in sessions. We schedule these after obtaining student arrival dates/flight information and accommodate their incoming schedules.

## **Assessment**

Exchange student grading and assessments follow the same academic policies for matriculating students: <https://bulletins.wayne.edu/undergraduate/general-information/academic-regulations/>

## **Safety on campus**

We have our own WSU Police Department that patrols the campus and surround officer (most officers are graduates of our undergraduate Criminal Justice program). They offer broadcast messaging for emergency alerts, community engagement and crisis preparedness.

**Fun fact about your city/country**

All of our sports teams are between Midtown-WSU Main Campus & Downtown Detroit: Red Wings, Lions, Pistons, Tigers. Campus Martius Park in Downtown Detroit is just a quick Q-Line ride away - it is a skating park and winter village in the colder months and converted to an urban "beach" complete with sand in the summer. The Detroit Institute of Arts museum is next door to campus and free to WSU students residing on main campus.
